MOUNTING SYSTEMS

BEF-AH-DME

ORDERING INFORMATION

Type	part no.
BEF-AH-DME	2027721

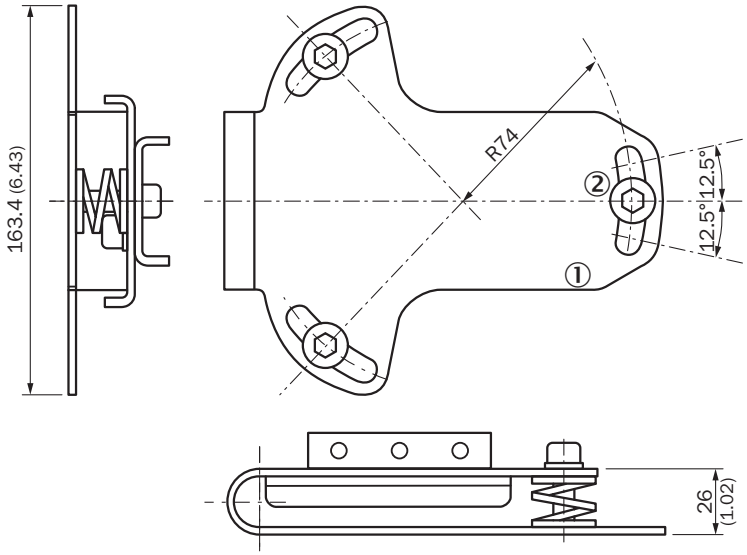

Further device versions and accessories at www.sick.com/Brackets

DETAILED TECHNICAL DATA

FEATURES

Accessory group	Mounting systems
Accessory family	Brackets
Description	Alignment unit for DME5000, stainless steel (1.4541), incl. mounting material, additional base plate mounting kit required Alignment unit for DME5000, stainless steel (1.4541), incl. mounting material, additional base plate mounting kit required
Items supplied	Mounting hardware included
Mounting system type	Alignment unit

DIMENSIONAL DRAWING

Dimensions in mm (inch)
① Adjustment aid
② fixing hole

SICK AT A GLANCE

SICK is a leading global technology company for intelligent sensors and integrated solutions in industrial automation. Our technologies set benchmarks, making your industrial processes more efficient, safer and more sustainable – both in logistics and manufacturing operations.

SICK combines sensor intelligence with industry expertise and certified consulting services. We provide the ideal foundation for scalable as well as tailor-made automation solutions and create added value along the entire value chain. Our close partnerships with our customers are more than just a promise: Together, we optimize productivity, improve quality, protect health and safety, and help build a sustainable future. All with empathy and trust.

Since 1946, we have been developing innovative technologies with passion and a pioneering spirit. With a global network in around 40 countries, SICK has a global presence and is always close by. The company's headquarters are located in Waldkirch near Freiburg, Germany. Our customers benefit from our understanding of both local and global requirements, which enables us to deliver tailor-made solutions
